

BIG LOCAL SW11 SMALL GRANT PROGRAMME JANUARY 2015

Our small grants programme offer support to individuals and groups who have an idea for a project that could help to deliver the Big Local SW11 vision

“as residents and workers we have a long term vision of of our community as a place where”

Everyone has the opportunity and confidence to widen their horizons and to maximise their potential for learning, working and achieving. (Achieving & Potential)

A community where everyone feels safe and that they belong. (Safety & wellbeing)

Where everyone can have a voice, shape their future and influence the design of space and services in a way that develops ownership. (Influence & ownership.)

We all have the opportunity to meet and interact across the wider community, to learn and belong. (Community & belonging)

The big local area consists of a group of contiguous council estates and housing lying to the north of Clapham Junction station. The largest is the Winstanley Estate which together with the York Road, Falcon, Kambala, Badric Court, Totteridge House and Wayland Road estates form a central band of housing

Information about Big Local SW11 is available on our website at

www.biglocalsw11.co.uk

You want to create change in Big Local SW11, you have an idea? You're passionate about making this happen? You'd like some support to help you deliver it?

Then apply to our small grants programme 2015 if your project could deliver change in Big Local SW11 in 2015

Our rolling programme of funding runs throughout 2015 and you should apply to let us know your idea, as all applications are considered on the basis of whether they could deliver on the Big Local SW11 vision

All you need to do is download an application pack from the website or request it by phone or email. The pack includes the Small Grant January 2015 application form with a request for additional information to support your application

Please note:

- 1. Applications will only be considered from Projects or individuals resident or based in the BLSW11 geographical area. (See map on website: <http://www.biglocalsw11.co.uk>).**
